APPROVED: May 16, 2023

EJ WATER COOPERATIVE approved a change to the reinstated membership policy.

For re-instatement of a membership by the owner who cancelled the membership, if the location has an existing meter pit any past due balances left and \$600 reconnect fee will be charged (even if the metering equipment is there). If there is no existing pit or meter, the tap-on fee applies.

For re-instatement of a membership by a new owner, if the location has an existing meter pit and metering equipment already installed a \$100 reconnect fee will be charged. If a meter pit only exists, a \$600 reconnect fee will be charged. If there is no existing pit or meter, the tap-on fee applies.

This membership reinstatement has a one-time limitation.
